

MK Gallery

A British Bake-off Registration

This summer MK Gallery challenges people to design and make an amazing cake for its 'British Bake-Off' competition. The event is open to individual cake decorators of all abilities, as well as children, families and groups. So whether you are a total beginner, a culinary or cake decorating student or an established master, the Gallery would love you to enter a cake creation, as long as it is made of real cake and the decorations are edible.

Please send the completed form to vmayes@mkgallery.org by 12pm on 9 August 2013
