MK Calling 2017: Open Call for Submissions

MK Calling is back! We invite all cultural and creative people connected to Milton Keynes to take over MK Gallery.

The Gallery is currently closed before construction begins on our major expansion. This exhibition will offer behind-the-scenes access to the entire ground floor, including the old workshop, loading bay, shop and other improvised areas.

MK Calling is designed to explore the breadth of creativity in (or inspired by) Milton Keynes.

This year we particularly welcome applications from artists interested in architecture or construction and demolition, and those who enjoy working in unusual spaces or exhibiting site specific work.

This exhibition follows on from the hugely successful *MK Calling* exhibitions in the summer of 2013 and 2015, and will run from 21 April to 28 May 2017 with an opening party on Thursday 20 April at 6pm.
