

How to make a Memphis inspired bauble

What you will need: scissors, 2 x split pins, string, beads (optional)

1. Carefully cut out the strips along the dotted line (ask an adult to help).
2. Make a hole in the end of the strips where the circles are.
3. Lay the strips face down so that the holes are on top of each other to make a star shape.
4. Secure with a split pin.

5. Bend the strips up so that they meet at the top to form a bauble shape and secure with another split pin.
6. Tie some string to the top and add beads.
